

Phase 2

(Year 2021)

Phase 2 located in the northwest corner of Pulaski County follows Spring Creek to the southwest portion of Gascosage's territory. Located between Crocker, MO and Richland, MO this Phase will add 64 miles of backbone fiber and serve 295 subscribers. Beginning at Spring Creek and traveling north along Highway T to just south of Swedeborg, MO you may run into Barbara's Babies Dog Obedience School who will benefit from the high-speed Internet along with many other homes and businesses in the area. The fiber route picks back up at Highway BB and snakes north serving farms and homes until it hits Highway U and the Concord Church. The final portion of Phase 2 shadows Highway U northwest to the Miller County line. Phase 2 is scheduled to begin construction in 2021 with completion slated for the same year.
